October 17, 2025
Special Meeting Minutes for Budget Workshop and Field Trip

Chairman Smith called the meeting to order.

Roll Call noted Chairman Smith, Supervisor Stebane and Supervisor Woehler were present. Clerk/Treasurer Smith was present.

The agenda was approved with a motion from Supervisor Stebane and a second from Supervisor Woehler. Motion carried.

Supervisor Stebane made a motion to approve the proposed budget as written with a second from Supervisor Woehler. Motion carried.

Date Set for proposed Budget Hearing, 10 am November 21, 2025.

Went to West Lunds Lake Road to inspect regarding catch basin. Reason being a property owner had contacted zoning. Kelley Sleeter from Zoning came out to West Lunds Lake Road inquiring about drainage. He measured the area of ditch placement. It is a 2 rod road, 33 ft. wide, making each side 16 ft. 6 inches. This is within the town right-a-way which the town maintains. This ditch was placed in 2018 to help road erosion to the lake. Kelly Sleeter recommended the town board hold a meeting to discuss a catch basin/rain garden.

All present at West Lunds Lake Road. Ron Woehler used the leaf blower to clear the area. Discussed were fabric and Rip Rap stone as a load on the 550 truck or 1 tone and that would be enough. Adding more dirt.

Motion made to Build burm, Road erosion fabric, Rip Rap stone, Approx. 18 ft long, 6 ft. wide, 8 inches deep. The motion was made by Supervisor Woehler and a second from Chairman Smith. Supervisor Stebane in favor. Motion carried.

The information will be sent to Kelley Sleeter for him to forward to the property owner. The plan is for the upgrade to proceed in 2026.

Motion to adjourn the meeting made by Supervisor Woehler, with a second from Supervisor Stebane. Motion carried.

Theresa Smith, Town of Fence Clerk/Treasurer
