

**HILLSIDE CEMETERY, FENCE in FENCE, WISCONSIN**  
**Rules & Regulations**

The Town Board has final say in regards to the cemetery's usage & function. Plots will be available to all unless at some point the Town Board deems it necessary to make restrictions. A burial fee, as set by the Town Board will be paid to the Town Clerk at the time of burial.

**Monuments & Markers**

No overhead vaults will be permitted. The sexton must be consulted prior to installation of any monuments or plaques. Foundation, base & monument shall not exceed 24 inches wide and 48 inches long and must not exceed 48 inches in height. Monuments must be made of granite, marble or bronze. Any exceptions as to the sizes and/or use of other materials will require special approval by the Town Board. The base & Monument shall be placed on the West end of the plot in the original Hillside Cemetery and on the East end of the plot in the First edition to the Hillside Cemetery & must not encroach upon an adjacent plot. The Monuments must be in line with the other monuments in the row. Ground level plaques such as Military or Personal, must not exceed ground level and may be placed at the center or at the foot of the plot.

**Landscaping & Care**

No trees, shrubs, or flowers may be planted. Flowers & other additions to the burial site must be placed on the Base of the Monument itself to allow efficient mowing & maintenance of the cemetery, any items not placed on the Base or Monument may be removed by the Town. Rules regarding gravesite decorations will be posted at the cemetery.

**Burials**

Burials will be arranged with the Sexton. All full burials will be in a vault. Cremation urns vary in size and the Sexton will decide on the necessary size of the gravesite. The Sexton will use good judgement in helping choose a burial site with consideration taken to satisfy family members as well as the interest of the town for both maintenance & aesthetics. Burials will be done when the ground is workable. Grave excavation shall only be done by the Sexton or by a person approved by the Sexton and working under his supervision.

This ordinance replaces any and all previous ordinances, resolutions, rules&regulations and shall become effective upon passage by the Fence Town Board and posting.
